*It is a requirement that both parents be registered with the Dogo Canario Club of America.

** This is for a dog which is being registered from other FCI countries into the Dogo Canario Club of America stud book. The DCCA will not accept any registration of a new dog, unless the application is submitted with its original registration certificate and/or certified pedigree issued by a recognized FCI member. Dogs with RSCE inscription but w/o the pedigree will be granted Initial Registration until such time the pedigree is submitted to the DCCA. All other applicants must first submit proof of certification before registration will be accepted.
